- Canned Tuna (preferably in water)
- Canned Chicken meat

Jarred/Bottled goods

- Pickles (whole, sliced, mini, dill, and/or sweet)
- Pasta Sauce
- Alfredo Sauce
- Mayonnaise
- Miracle Whip
- Peanut Butter (and any nut butter like almond butter or sunflower butter for those with allergies)
- Jelly/Jam (most popular are grape and strawberry)
- Relish
- Ketchup
- Mustard
- Dressings of various kinds
- Cooking oils (vegetable, canola, coconut, but please stay away from peanut oil)
- Bottled juices or juice boxes (Capri Suns, Grape juice, V8 stuff, Apple juice, etc...)
- Various sauces used for marinating or cooking (Soy sauce, BBQ, enchilada sauce)

Dry goods

- Cereal (Lots and lots of cereal of every kind. Our families go through this the most and very quickly)
- Cereal bars

- Snacks (fruit snack, granola bars, protein bars, snack cakes, etc...anything our families and grab and go with to take to clinic to munch on during chemo infusions)
- Pretzels and/or chips
- Cookies (every kind, most used are Vanilla wafers, chocolate chip, oreos, and Animal crackers)
- Crackers of every kind (saltine crackers, graham crackers, Goldfish, Ritz crackers, Club crackers, Wheat Thins, Triscuits, etc...)
- Flour, Pancake Mix, Syrup
- Sugar (plain, brown, powdered)
- Rice (every grain, bagged or boxed)
- Potatoes (bag and/or instant)
- Oatmeal
- Mac & Cheese and/or Shells & Cheese
- Boxed pasta meals (i.e., Hamburger Helper, Chicken Helper, etc...)
- Pasta (everything from spaghetti noodles to egg noodles)
- Popcorn
- Bread crumbs
- Stuffing

Non-Food Items

- Body wash
- Shampoo and Rinse
- Clorox Wipes
- Baby Wipes
- Any kind of cleaning supplies (our families also go through these quickly cause they have to keep the child's environment as sterile as possible)
- Cleaning and/or disposable gloves
- Laundry detergent
- Toothpaste
- Deodorant
- Chapstick (many drugs our kids are given will dry out their skin and lips rather quickly)
- Lotion
- Diapers & pull-up (every size)
- Chux pads (many of our Sickle Cell children suffer from incontinence)
- Feminine Hygiene products (pads, tampons, panty liners, etc...)
- Paper towels
- Toilet paper
